The eighth keepsake created for the Hands Touching Hearts gift collection is a keychain.

Made of denim and foam, it measures 1 1/2 inches wide by 5 1/2 inches tall.

Like all program keepsakes, the keychain is designed to be transformed

by the work of the decorator's hands. For this gift, program participants decorate the back of the keychain.

Upon completion of the gift, the decorator has two options:

1. Take the keepsake and give it to an active-duty service member, reservist or veteran that the decorator knows personally.

2. Give the keepsake to Ann M. Cosgrove, the originator of Hands Touching Hearts, and have her send it to a service member who is just starting out in the military.
